

St. Francis Hospitals, Indianapolis, IN

Join our mission.

Work alongside the greatest healer of all time.

At St. Francis, we believe delivering healthcare is more than a job. It's a calling. If you have an angel's touch and a servant's heart, we invite you to join our mission.

Oncology Administration – Breast Patient Nurse Navigator

The qualified candidate must possess a BSN, current Indiana RN license and 4 years of nursing experience, 2 of which should be focused on clinical oncology. A passion for working with Breast Cancer patients and their families is needed. This is a full-time, day shift position working from the Indianapolis Campus. This position requires travel to all 3 St. Francis campuses, as well as ancillary Physician offices and community events.
