

# The Essential Oncoplastic Surgery Course™ with 3 Day Hands-On Lab and Optional Certificate Program

Cary S. Kaufman, MD, FACS – Course Director

Oncoplastic Surgery is safe, has fewer re-excisions, has improved cosmetic results and has been embraced by many breast surgery organizations here and abroad. Join us at our newly expanded three-day “Essential Oncoplastic Surgery Course” using environmentally conscious customized Mastotrainer models to perform a variety of oncoplastic surgical procedures, from basic to complex. These models provide predictable anatomic issues that can be corrected using the variety of oncoplastic techniques. One-on-one instruction will occur in a see-one-do-one process. Surgeons of all breast surgical skills can learn new techniques. Those who already perform oncoplastic surgery may consider applying for the “Certificate of Performance in Oncoplastic Surgery™.” This process will include educational lectures, documented performance of multiple techniques and an oncoplastic surgery written test. An award report will be given that documents each procedure and all educational content and testing to validate one’s own performance.

## Friday, March 11

8:00 - 8:30 am	<b>History of Oncoplastic Surgery</b> Sadia Khan, DO, FACS
8:30 - 9:00 am	<b>Genetic Testing: What the Breast Surgeon Needs to Know</b> Mary E. Freivogel, MS, CGC
9:00 - 9:30 am	<b>Crescent Mastopexy/Benilli-Round Block Mastopexy: Methods, Candidates, Guidelines</b> Sadia Khan, DO, FACS
9:30 - 9:45 am	<b>15 Minute Break</b>
9:45 - 11:15 am	<b>Oncoplastic Lab #1 Using RIGHT Breast – Crescent and Round Block Techniques</b> All Faculty  <b>Certificate applicants will have pictures taken of preoperative appearance, midway dissection and final result (This requires the additional Certificate of Performance in Oncoplastic Surgery™ fee)</b>
11:15 - 1:00 pm	<b>Lunch Break</b>
1:00 - 1:30 pm	<b>The Gift of Oncoplastic Surgery</b> Barbara Rabinowitz, PhD, MSW, FNCBC
1:30 - 2:00 pm	<b>Reconstructive Lumpectomy and Intraoperative Imaging</b> Cary S. Kaufman, MD, FACS
2:00 - 2:30 pm	<b>Nipple Sparing Mastectomy Techniques/Preferences/Options</b> Ronda Henry-Tillman, MD, FACS
2:30 - 2:45 pm	<b>15 Minute Break</b>
2:45 - 3:15 pm	<b>How to Approach the Inferior Breast: Inframammary Fold Approach, Anchor/Inverted T Approach: Methods, Candidates, Guidelines</b> Jennifer Gass, MD, FACS
3:15 - 3:45 pm	<b>Oncoplastic Lab #2 Using LEFT Breast – Inferior Mammary Fold and Anchor Techniques</b> All Faculty  <b>Certificate applicants will have pictures taken of preoperative appearance, midway dissection and final result (This requires the additional Certificate of Performance in Oncoplastic Surgery™ fee)</b>
3:45 - 4:45 pm	<b>Extreme Oncoplasty: Candidates, Methods, Results</b> Sadia Khan, DO, FACS
4:45 pm	<b>Ends for the day</b>
