

# NCOBC 2023

## Administration Request for Support Letter

### Dear Administration:

I would like to request the support for our hospital to attend the National Consortium of Breast Center Interdisciplinary Breast Center Conference, March 24-28, 2023.

This investment is invaluable, for my continued education and to our breast center, to remain on the cutting edge of our ever-changing specialty, and ultimately the patients we are committed too.

After reviewing the syllabus of the upcoming event, I have identified the following lectures/workshops that would be most valuable to me.

Please list the lecture titles/workshops of interest:

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

Please list others on your interdisciplinary team that should also be considered to attend the NCoBC 2023

### About the NCoBC:

This program's intent is to increase the quality of breast care provided to women across the globe through the interdisciplinary education of breast health professionals. Many breast healthcare practices are not standardized, and this conference provides a learning and networking environment enabling breast professionals to learn about genetics, risk, the latest treatments, technologies, procedures, become certified and sharpen their skills in detecting and treating breast cancer.
