EXHIBIT SPACE COST

Credit card payments are accepted through the online invoice issued by the NCBC Exhibit Manager. Checks may be mailed to NCBC Exhibits, PO Box 1334, Warsaw, IN 46581-1334. Exhibit and sponsorship fees are nonrefundable.

BOOTH SPACE SELECTION

Booth space is assigned on a first-come, first-served basis. After reviewing available spaces in the Exhibitor Center, email your top three choices to Kimberly at kimberly@breastcare.org. NCBC will assign the booth and issue an invoice. The booth is confirmed once payment is received in full. NCBC may revise the exhibit hall layout or relocate exhibitors when operationally necessary.

NONPROFIT EXHIBITORS

A limited number of inline spaces are available to eligible nonprofit organizations, with a maximum of one booth per organization. Proof of nonprofit status and information demonstrating that the organization's products or services are relevant to breast cancer care are required. Spaces are assigned by the NCBC Exhibit Manager.

EXHIBITOR ELIGIBILITY AND CONDUCT

Only organizations offering products or services relevant to breast health, breast cancer care, or the professional needs of conference attendees are eligible to exhibit. NCBC may decline organizations that do not meet these criteria. Massage, skincare, and light-therapy companies will not be accepted. First-time exhibitors must submit product or service information and receive approval before a booth is confirmed. Exhibitors may not schedule or promote competing events for NCBC attendees, speakers, board members, or members during official conference activities. Any related event planned during the conference dates must be disclosed to the NCBC Exhibit Manager at least 30 days in advance and receive written approval. Exhibitors may not market to, survey, or contact attendees before the conference using information obtained through NCBC. NCBC does not provide attendee lists before or after the event. Violations may result in removal, forfeiture of exhibit space, and loss of fees paid.

EXHIBIT SPACE STANDARDS

Each commercial exhibitor receives the exhibit space selected and one 7 x 44-inch, one-line identification sign. Tables, chairs, wastebaskets, electricity, and other furnishings are not included and may be ordered through Expo Services. Exhibitors may not assign, sublet, share, or transfer any portion of their space or display products or services other than those they regularly manufacture or distribute. Exhibitors must maintain general liability insurance covering personal injury, death, and property damage connected with their participation. Evidence of insurance is due by February 1, 2027, and must be received before the booth is secured. Electrical services must be arranged directly through the designated provider. Exhibitors are responsible for their property and should secure portable items at the end of each day. NCBC is not responsible for loss, theft, damage, mishandling, or lost shipments.

REGISTRATION AND BOOTH SETUP

Exhibitor booth setup will take place Thursday, May 13, 2027, from 10:00 a.m. to 5:00 p.m. Eastern Time. Each company must designate one on-site contact in the Exhibitor Center to collect registration materials and team badges upon arrival. Setup badges are complimentary and must be requested in advance from Kimberly at kimberly@breastcare.org. All shipments must be routed through the advance warehouse according to the instructions provided by Expo Services. Show-site freight will not be accepted or unloaded until all advance-warehouse freight has been processed. The Exhibit Service Kit will include shipping, handling, rental, and service-order information. All booths must be completely set up by 5:00 p.m. on May 13 unless prior written approval has been provided by the NCBC Exhibit Manager. Failure to meet the setup deadline without prior approval may result in a \$500 setup-compliance fee. Children are not permitted on the exhibit floor during setup or dismantling. Contact Expo Services for on-site setup assistance.

EXHIBIT DATES AND TEAR DOWN

Exhibit activities will take place Friday and Saturday, May 14-15, 2027. Booth dismantling may begin Saturday, May 15, at 6:00 p.m. Exhibitors may not dismantle or remove any portion of a booth before that time or before NCBC exhibitor services staff authorize tear down. Early dismantling will result in an \$800 fee. An exhibitor assessed this fee must also provide an additional \$800 deposit to exhibit at a future NCBC conference. The deposit will be refunded 30 days after that future event if the exhibitor complies with the tear-down requirements. These requirements protect attendee safety, venue compliance, and the experience of all exhibitors.

IDENTIFICATION AND ACCESS

Conference badges must be worn at all times in the conference and exhibit areas. Exhibitor badges are limited to employees or authorized representatives working in the booth and may not be issued to clients, consultants, or business associates. Those individuals must register under the applicable attendee or non-exhibiting company category. Booth-staff registrations are based on booth size as shown in this agreement. Names, titles, organizational email addresses, and direct phone numbers are due by April 2, 2027. Additional registrations or changes submitted after the deadline are subject to a \$25 fee. Additional registrations may be purchased for \$499 each. Included meals cover lunches, breaks, the Exhibitor Extravaganza, and the Poster Reception; breakfast is not included. Whova access for lead retrieval and daily content is included with the booth fee, except for the six-foot nonprofit table.

PAYMENT TERMS

Payment is due within 30 days of the invoice date. Regardless of the invoice date, all outstanding balances must be paid in full by April 3, 2027. A one-time \$500 late-payment fee will be added to any balance remaining unpaid after April 3, 2027. Exhibit space reserved on or after April 3, 2027 must be paid in full at registration; no late-payment fee will apply when payment accompanies the new registration. Early payment is encouraged, and booth assignments are confirmed once full payment is received. Payment may be made by check or through the online invoice using MasterCard, Visa, or Discover.

ADDITIONAL TERMS

Hotel cancellations must be handled directly with the hotel. By registering for exhibit space, the exhibiting organization accepts the terms, conditions, and exhibit rules published in the Exhibitor Prospectus, Exhibitor Service Kit, Exhibitor Center, and official NCBC or Expo Services correspondence. The organization is responsible for ensuring that its employees, representatives, agents, and registered guests comply with these requirements. If circumstances beyond NCBC's control prevent or materially affect the exhibition, NCBC may cancel or modify all or part of the exhibition without further liability to the exhibitor. Exhibit and sponsorship fees remain nonrefundable.
